

APPROACH TO MANAGEMENT

In 2018 Agora S.A. adopted a comprehensive system of ethics including Agora Code of Ethics, and implemented an internal whistleblowing protocol. As a part of these proceedings Agora conducted an ethics audit and introduced a confidential whistleblowing system and the function of Compliance Officer.

In 2019 a gap in the compliance system was identified, recommendations were developed and further steps were suggested and the process of building a comprehensive compliance system for Agora Group was continued.
